Dear concerned citizen:

If you are holding this letter I assume that it is because you are interested in becoming part of our team that is working to support Iowa communities in understanding the impact of homelessness on Iowans and the communities we live in.

These materials have been developed by a team of dedicated citizens and professionals through the Iowa Council on Homelessness (ICH) as part of our efforts to share this information with community leaders, friends and neighbors. We are very pleased that you are interested in knowing more about the Iowa Council on Homelessness. Together we can work to help those in need.

The Iowa Council on Homelessness is made up of 36 community leaders, private service providers and government officials. The ICH is dedicated to making Iowa communities happy and healthy places to live. In the enclosed tool kit you will find valuable information you may share. If you have questions or comments please contact Terry Hornbuckle at (515) 725-3336 or by e-mail at terry.hornbuckle@iowa.gov.
